OUR MISSION

The Mission of the Cochin Port Trust is to provide dependable and cost-effective Port services through modern and efficient infrastructure coupled with high quality, customer-friendly services. The Port shall manage its assets and resources for optimal economic use to the Nation and the community. The Port shall strive to be the main catalyst for the economic development of the region, with a strong commitment to environmentally sound policies and safe practices. The Board of Trustees, the employees and all stakeholders of the Port shall work as a team in an open, positive, collaborative and cooperative manner. In pursuit of this Mission, the Port Trust shall be guided by the principles of integrity, ethical behavior, professional excellence, service to the community and respect for every individual.

COCHIN PORT TRUST

Cochin Port is an all-weather natural Port. It is the Major Port located nearest to the international sea routes, being only 11 nautical miles from the Gulf to Singapore route and 76 nautical miles from the Suez Canal – Far East route. The Port maintains a draft of 14.5mtrs at the International Container Transshipment Terminal. Draft of 12.5 meters is available at Cochin Oil Terminal and 11meters at the General Cargo Berths (Q8&Q9) of Ernakulam Wharf. Draft in other berths range from 9.14 to 11.0 meters.

Features of Cochin Port:

- ISO 9001 – 2008 Certified Port, complies with all ISPS and MARPOL Regulations.
- 20 Berths and 1 SPM
- Modern Container Terminal with state-of-the-art handling equipment.
- Round the clock pilotage.
- Excellent connectivity with the hinterland centers in the States of Kerala, Tamilnadu and Karnataka.
- Emerging as a major bunkering station.

India's first e-Port: Cochin Port is the first Major Port to implement a comprehensive Enterprise Resource Planning (ERP) on a SAP platform. The *e-Port* integrates all functions of the Port. The *e-Port* provides a real time interface with regulatory authorities like the Customs, Port Users, Banks and the Port Community System of the Indian Ports Association and provides a single window facility to the trade for filing applications, receiving service bills, payments and enquiries. The e-Port project has brought in *accuracy, speed, efficiency and transparency* in all our activities, leading to good governance.
