BIDDER 'E'					
1	Cl. 4.	5/67	--	M/s. CoPA has not allowed sub-contracting for the proposed assignment. Kindly note that the proposed assignment involves various surveys, Investigations & specialized studies (Marine Modelling & traffic studies). These works are generally carried out by hiring third party specialized survey/modelling agencies/subcontractors. Accordingly, Bidder requests M/s. CoPA to allow for subcontracting to third party agencies for specialized works. Payment to above third party agencies shall be directly made by M/s CoPA. Kindly confirm.	Tender conditions shall prevail. Bidders are at liberty to hire the services of other specialised agencies for carrying out the surveys, studies etc. as required for completion of assignment at their risk, responsibility and cost. <i>with our permission of CoPA</i>
2	3. SCOPE OF WORK, 3.1 b) Existing/Situational Analysis;	42/67	SCOPE OF WORK	Bidder requests M/s. CoPA to provide existing master plans and any other available existing drawings, reports etc. of all five islands to understand the existing facilities and extent of required facilities. In case, M/s. CoPA proposes to share the details with successful bidder, a detailed list of documents/drawings to be shared with successful bidder may please be provided.	Soft copy of the Report of Expert Committee of Cochin Port Trust, Sept. 2021 has already been shared with Addendum/Corrigendum No.1 issued. Following additional Reports shall be shared with successful bidder. 1) CWPRS Tech Report No. 4179, Nov. 2004 on Androth Island 2) CWPRS Tech Report No. 4262, Aug. 2005 on Androth Island. 3) CWPRS Tech Report No. 5982, Jan 2022 on Androth Island 4) Figures and Photos on Tech. Reports, Androth Island 5) CWPRS Tech Report No. 5784, Feb. 2020 on Kalpeni Island 6) CWPRS Tech Report No. 5991,
