Request to furnish information under Section 6(1) of the Right to Information Act, 2005,

Sir/Madam,

My name is Shameer P. S. I have been working on a project named "Craft Village," which is related to tourism and culture, and I had the opportunity to discuss the project with Mr. Jimmy George (senior deputy traffic manager) many other MNCs received a positive response. The plot for this tourism initiative was planned to be implemented on the right side of the BOT bridge. Now it is apparent that the Cochin port has started a number of projects identical to the one I filed beside the BOT Bridge, with similar specifications.

I'm asking you to send me a certified copy of the following data via this letter:

- 1) Is the project I submitted being implemented in the plot?
- 2) Are any of the requirements I listed in my project included in the current project?
- 3) How do you intend to carry out the project?

I'd like to ask for a 2D sketch of the project that is now being worked on as well as any future tourism-related projects that Cochin Port plans to adopt.

Yours faithfully
