Information Sought :

1. How many boats/vessels got sunk in and around cochinport ship channels during the last 20 years
2. How many boars /vessels were salvaged during that period.
3. Has any salvaging operation of any boat or vessel been abandoned on assessing its futility.
4. How many Tenders been floated for salvaging Fishing Boats sunk around the outreach of the ship channel of the port trust and were the salvaging operations were abandoned due to impracticality of its accomplishment.
5. There were Newspaper reports of Cochin port engaging a Hyderabad based Technically competent marine agency to assess the feasibility of the dredging operations carried out vis-a vis the reaccumulation of mud and sludge in and around the port trust harbor outreach and ship channel. THE Hyderabad based agency reconfirmed the fatality of the dredging operation as the reaccumulation of the sludge appeared to be perennial.It the said report true or not and what is the action being planned by the cochin port to solve that problem?
