

No.FD/Costing/NLP/TC/Misc/2026

Dated: 22.06.2026

TRADE CIRCULAR

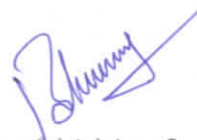

As it is aware to all that the integrated portal "Sagar Setu" (developed by MoPS7W), a National Maritime Single Window Platform envisaged is already in place to provide end-to-end logistics solutions and facilitate seamless exchange of documents and business transactions among exporters, importers and service providers.

Earlier, direct payments on NLP were available only to customers of State Bank of India, Indian Overseas Bank, Axis Bank, ICICI Bank and HDFC Bank.

The direct payments to the customers of South Indian Bank has now been enabled on the NLP platform along with Payment Gateway facility, extending direct payment capability to account holders of other banks as well. Accordingly, all cargo and marine users maintaining accounts with banks other than the five banks mentioned earlier may now use the NLP payment gateway to transfer funds.

As per Ministry policy, all advance payments for vessel and cargo related charges must be processed through the NLP platform only. Port users not yet registered on Sagar Setu (<https://nlpmarine.gov.in>) are requested to register and use the portal for fund transfers related to cargo and marine operations.

If your Sagar Setu account is deactivated or you require reactivation, please contact sabuvarghese@cochinport.gov.in or call 0484-2582648.
