Cochin 682 009.

No. F1/CCTV-MULT/2026/M

Dtd: 24.03.2026

**NOTICE FOR INVITING BUDGETARY OFFERS**

CCTV cameras are proposed to be installed at the MULT Jetty and Barge Jetty at Puthuvypeen. As the location falls under a hazardous area, the cameras and associated accessories shall be explosion-proof type.

It is proposed to install the following cameras:

- 4 Nos. of 5 MP IP IR Varifocal Bullet Cameras (Explosion-protected type)
- 3 Nos. of 5 MP Stainless Steel PTZ Cameras (Explosion-protected type)

A Draft Bill of Quantities (BoQ) has been prepared which includes a recording server with 16 channel NVR and adequate storage capacity to retain recordings for up to 90 days, using H.265 compression with FIFO (First-In, First-Out) overwriting mechanism.

Interested firms are requested to inspect the site by contacting the office of the undersigned and submit budgetary quotations for the work of **“SITC of 7 Nos. Explosion-Proof CCTV Cameras at MULT Jetty, Puthuvypeen.”**

The budgetary quotations shall be submitted on or **before 3:00 PM on 31.03.2026, as per the BoQ attached.**

The Draft BoQ, Scope of Work and Site location map is attached for reference. Bidders may also offer their deviations or suggestions on the BoQ, which will be duly considered while inviting competitive tenders for execution of the work.
