

Feature	Specification Details
Brand / Platform	Legrand DPX ³ 630 (Industrial Frame)
Catalogue / Model Number	4 221 43
Rated Current	400 A (<i>Overload adjustable setting: 160A to 400A</i>)
Number of Poles	4 Pole (4P) with front-panel neutral adjustment
Breaking Capacity	36 kA at 415V/400V AC (50 Hz)
Trip Unit / Release Type	Electronic Release (SG type / LSIg)
Compliance / Standards	Conforms to IEC 60947-2
Protection Degree	IP55
Kit Components	Vary-depth mechanism, adjustable metal connection rod, door interlock/lock mechanism
