Cochin Port Authority

MD/Insurance for Pilots/2026 Date:18.11.2026

Notice inviting quotation

Subject: Insurance coverage for Pilots and Marine Officers for a period of one year

Quotations are invited from Insurance companies for covering Cochin Port Pilots and marine officers doing pilotage

The scope of insurance coverage required for Port Pilots is mentioned below.

Marine pilots perform a highly specialised and safety-critical profession. Their duties include boarding inbound and outbound vessels, safely navigating ships through harbour channels, ensuring compliance with port regulations, preventing marine accidents, and safeguarding port infrastructure and the marine environment.

In discharging these responsibilities, marine pilots are routinely exposed to occupational hazards, including risks associated with pilot transfers, working at heights, adverse weather conditions, vessel movements and other demanding operational environments. Considering the nature of their duties, comprehensive insurance protection is essential.

It is required to submit quotation for providing comprehensive Group Personal Accident Insurance coverage for the marine pilots of Cochin Port Authority.

Group Personal Accident Insurance Policy with a sum insured of ₹1 crore per person, covering the following :

1. Accidental Death – ₹1 crore.
2. Permanent Total Disability – Up to ₹1 crore.
3. Permanent Partial Disability – Compensation proportionate to the degree of disability.
4. Temporary Total Disability – Coverage, if available, as an additional benefit.
5. Medical expenses arising from accidental injuries, including hospitalisation and related treatment expenses, as an additional benefit.

The policy should cover occupational risks arising from the performance of official duties, including vessel boarding and disembarkation, pilot transfers, harbour operations and exposure to adverse weather conditions.

Kindly provide your most competitive quotation in password protected pdf format , along with the policy terms and conditions, coverage details, exclusions and claim settlement procedures.

A list of marine pilots, including office pilots such as the Harbour Master, Dock Master and other eligible personnel, is enclosed for your reference and preparation of the quotation.
